COMPARTMENTATION SUBCOMMITTEE

26 September 1975

MEMORANDUM FOR: Compartmentation Subcommittee Members

SUBJECT : USIB Policy Paper on Information Release to  
Contractors

REFERENCE : (A) USIB-AM-2/75, 14 August 1975, Memo to  
Chairman, IHC, Same Subject  
(B) SECOM-D-108, 10 September 1975, Memo  
to Chairman, CS, Same Subject

1. At the 9 September 1975 Security Committee meeting it was agreed that the USIB Policy Paper on Information Release to Contractors was more of a security issue than a matter of IHC business and should be handled by the Compartmentation Subcommittee.

2. The Subcommittee has been requested to conduct a review of this policy paper to ensure conformance with DCID 1/7 and to make early recommendations for amendments or cancellation as appropriate. I would like to suggest a 2 October 1975 meeting to discuss this. It will be held in Room 6E0708, CIA Headquarters, at 1000 hours.

  
Chairman
